

## TEENS Inc. Services Fee Schedule 2017

TEENS Inc. is proud to be of service to Winchester City and Frederick and Clarke Counties, VA. As a not-for-profit organization, we must charge, albeit modest fees, for our services in order to ensure our sustainability. The Board of Trustees has established the following services fee schedule effective January 1, 2017.

All fees for the twelve-week vocational agricultural course are per participant charges. Fees for unit services (e.g., mentoring, community service) are based on an hourly per person fee. All transportation to the TEENS, Inc. campus is the responsibility of the family or organization seeking services. Transportation to community sites is also the responsibility of the family or organization seeking services.
